

# Tuesday Morning Women's Bible Study

## 2 Corinthians – Jeff Hutchinson

### January 15 Homework

1. Finish whatever aspects of last week's homework you may not have gotten to yet!
2. Now read through 1 Corinthians (a quick read-through, not a super-thorough study). What common themes do you notice? What aspects of the truth of the gospel and the ethics of the gospel need emphasizing in the life of the Corinthian church?
3. Having now some sense of the overall themes of 2 Corinthians fresh in your memory, what aspects of the truth of the gospel are you in special need of having emphasized or reemphasized for you these days?
